EXPERIENCE

Graphic Designer, Birdwell Photography and Multimedia, Pensacola, FL
August 2007 – March 2008
Designed and laid out multi-page publications for local and national clients. Involved throughout the entire process from preliminary sketches and conceptual research to design and printing solutions. Worked with a creative team to develop unique branding solutions for clients, including dynamic logos, innovative stationery systems, and original promotional materials. Also designed website shells with a strong focus on usability, accessibility, and interactivity among the target market. Collaborated with programmers not only personally but also through e-mail and conference calls to achieve the final result.

Graphic Designer, Waterboyz Surf and Skate Shop, Pensacola, FL
April 2005 – December 2008
Developed original designs and prepared color separations for skateboard graphics, surfboard laminates, and all forms of apparel and accessories. Designed and generated advertisements for print publications including local newspapers and magazines. Designed and produced other forms of marketing including storefront displays and vehicle wraps. Created the conceptual look and feel of the website working with a programmer to successfully complete this task. Helped maintain the site by consistently updating web banners, online inventory and product images.
