Fabulous women's magazine

Media Kit — 2018

The Magazine

"A stylish read, unlike any other women's magazine out there"

The New York Times

Established in 2010, The Gentlewoman is widely recognised as the definitive style title for the modern woman. Intelligent, opinionated and entertaining, it has set a new standard in women's magazines with its high-quality writing and fashion photography celebrating modern women of style and purpose.

The Gentlewoman is renowned for its innovative editorial and design, garnering critical acclaim and accolades to become one of the best performing titles in its category and the leading women's magazine on newsstands today.

Modern Frills

After a decade of polite minimalism, Molly Goddard's sweet-but-twisted take on the dress is making hand-pleated tulle waves. Traditional handcraft is the thread running through the Goddard family tree, from Molly's great-grandmother, who smocked the dresses that first inspired her, to her stylist sister, Alice, who picks the grungy boots that ground her fashion shows. But for Molly, 29, the success of the dress all comes down to the wearing.
